INSPIRATION

灵感

The design inspiration comes from Italian silver gray cave stones, with uniform color tones, harmonious patterns, and distinct gray and black lines, giving them a rich sense of hierarchy.

Special light and shadow, subtle texture, gradually changing levels, telling the story of time, leisurely depicting the poetry of nature, releasing a unique temperament and charm.

设计灵感来源于意大利银灰洞石，色调匀称，纹路和谐，分明的灰黑线纹，使其具有丰富的层次感。

特殊的光影，微妙的肌理，渐行渐进的层次变更，娓娓道来岁月的故事，悠悠地描绘自然的诗意，释放着独一无二的气质与魅力。
